Call for Objects!

Dear Vietnam Veterans,

If you were a helicopter pilot during the War and have items you would loan to us that relate to your service, please contact Katie Henry at khenry@njvvmf.org or (732) 335-0033 x.104.

The Vietnam Era Museum & Educational Center will host an exhibit on helicopters in the Vietnam War, which will be on display from October 2011 through March 2012.

A large portion of the exhibit will be items from the online museum of the Vietnam Helicopter Pilot Association. We also want items from New Jersey Vietnam Veteran helicopter pilots for a more local focus.

**Please call or email first before bringing items here.
Thanks so much!**

Katie
